Buzzy® Office Manager, **Ashli Romeyn**, brings the perfect blend of experience, business sense and temperament to the team. Relocating her family cross-country from Northern California to Greater Atlanta might seem overwhelming to some, but Ashli thrives on new adventures. Her seaside childhood paved the way for a career steeped in nature, ranging from Program Technician at the California Department of Fish & Game to managing an organic nursery in Atlanta. Ashli now balances raising her two children, volunteering at their schools, and keeping the Buzzy® office buzzing, inspired by a company whose efforts impact the lives of children everywhere. Buzzy® is honored to have this three-time “Class Parent of the Year Award” recipient in the mix.

Laura Hansen  
Systems & Manufacturing Director  
lhansen@mmjlabs.com

**Laura Hansen** brings a powerful career path of finance, specialized human resource and technology strategies to the Buzzy® team. Her expertise lies in her ability to troubleshoot, analyze, and solve critical challenges for companies. Career highlights include serving as an actuary and managing high-level ventures for major consulting firms. Laura enjoyed full-time motherhood and volunteering for Dallas Junior League before re-entering the corporate world. She helped launch a venture that supports companies in their relationships with non-profit organizations & community affairs. From there, Laura co-founded a successful advertising agency in Dallas. Her free time involves playing tennis, golf and cheering on her eight-year-old sports fanatic son.
